To All Our Gatlinburg Supporters,

We regret to inform you that the Gatlinburg Regional Bridge Tournament has been cancelled this year due to concern for all our players' health and safety. I know many of you have called and written emails expressing your support and concern about this year's tournament. We are deeply indebted to you for these acts of support and kindness.

We apologize that we had to delay this decision until this time, but we were working with the Convention Center to look at possible alternatives and working to attempt to mitigate any extraordinary cancellation penalties. Unfortunately, other alternatives are not available this year.

We are also hopeful that you will be able to cancel any open reservations you might have without penalty and will be happy to try to help if at all possible. We have excellent rapport with many of our host or sponsor hotels, and they have been particularly understanding. If you have booked accommodations with someone not on our list, we may not be able to help resolve cancellation penalties.

We deeply regret any inconvenience this may have caused you.

We also want you to know that we expect to be back, bigger and better than ever---our 2021 dates are April 19-25, 2021. We look forward to seeing you then.

Please stay healthy,
Julia and Pete Misslin,
Gatlinburg Co-Chairs
