

My Story – District 11 Rank Promotion Perspectives

Here are the stories of our members as they reflect on a recent rank promotion

6 July 2023 – Herb Gillies Gold Life Master

Dear Larry,

Thanks for your congratulations.

I've played over 40 years of Duplicate, and I enjoyed it all, so I'm not one who thinks it needs re-invention. In New Jersey, I could play in several small evening club games. I also was on a corporate team, which hosted other teams (AT&T, Hoffmann-LaRoche, Warner-Lambert etc.) in their

cafeterias at night.

In Lexington, it's one big Club, well-run and friendly. Newcomers are recruited with classes and NLMs aren't just thrown to the bridge wolves.

I hope evening club games will make a comeback. Younger working stiff's need to be at the table. The social part of F2F bridge is really what keeps most of us coming back for more!

Sincerely,

Herb Gillies
