<u>14 Sep 2022</u>	D11 TOURNAMENT SURCHARGE – 2024 LOUISVILLE NABC The history of D11 to provide funds for any NABC within the District by collecting a surcharge for sectionals and regionals, and by offering clubs the opportunity to participate in special games to support upcoming NABCs. In the past, we have collected these funds for three years before an NABC would take place. Covid has restricted the time that we can collect funds for 2024, and we now have just 11/2 years before the Louisville tournament takes place. The proceeds will help Louisville to purchase prizes, gifts, and hospitality. Steve encouraged Board members to look favorably upon the requests of the NABC Chairs. MOVED and seconded that District 11 assess a \$1 surcharge to be added to the playing fee at each regional, sectional, non-life master regional or sectional, and progressive sectional beginning October 1st, 2022, through March 1, 2024, for the purpose of helping fund the Louisville NABC. There was further discussion as to whether the District should pay out its usual stipends since they are meant for partial reimbursement of travel expenses.
