

## June 13 BOD Discipline Decisions via Straw Votes

- Players on Suspension (not RTAD or Expelled) may submit written request to Club Manager to play in selected F2F club games. The Club Manager makes the decision.
  - May not play with complicit partner
  - Will not earn Masterpoints®
  - See Appendix for games allowed/not allowed.
- Players who quit cheating before 2022:
  - Official Warning for those with fewer than 5000 MPs at time it ended
  - 60-day suspension for 5000+
  - Requires Clear/convincing evidence it ceased before 2022
  - Not to include those who:
    - Have previous disciplinary record for Ethical Violations
    - Are GLM -eligible
    - Had multiple complicity partners
    - Are/were in a position of significant influence (to be defined)
    - Resigned or Expelled
- Retroactive reductions for players who quit before 2022 and have already been disciplined
  - Same considerations as above
- Modification of EC/FPP to remove admission of guilt
  - They waive the right to any further litigation (including IBA)
  - Still considered a 1<sup>st</sup> offense
- Warnings exempted from EC/FPP (still a 1st offense)
- Extended grace period (up to 60 days) for good cause
- Non-CDR changes to be implemented as soon as possible
- CDR changes to be finalized and voted on in Philadelphia
